

Appeal for Invoice number(s) 2427540, 2427522
Garfield County School District 16 - BEN 142460
Nathan Humphrey - nhumphrey@garfield16.org (970)285-5701

I received a Form 472 (BEAR) Notification Letter that my requested was approved for \$0.00. It turns out that when I reviewed my copy of the form 472 I put in 07/01/2015 as the "Start Date for the Service" instead of the correct date of 10/02/2015. I am requesting an extension to these FRNs so that I can file my BEAR again with the correct date. You will find both the BEAR and the Letter from USAC attached to this request/e-mail for your reference.
